---

Date: September 12, 2024  
To: Customers of Copeville Special Utility District (SUD)  
From: Board of Directors  
Subject: Notice of Construction Meter Water Rate Change

The Board of Directors met to discuss the water rate for all construction meters and their impact on the Copeville SUD water system. After much discussion the District has decided to raise the bulk water rate to a flat \$30.00 per 1,000 gallons. The new rates will be effective beginning October 14, 2024 and will be reflected on your bill which is due November 10, 2024.

Please be assured that the Board of Directors is committed to providing all customers of the Copeville SUD with safe and dependable water at the most reasonable rates possible. If you have any questions or comments, please contact the district's office at 972-853-4630.
