To: Customers of Copeville Special Utility District (SUD)

From: Board of Directors

Subject: Notice of Commercial Irrigation Water Rate Change

The Board of Directors met to discuss the water rates for commercial irrigation and their impact on the Copeville SUD water system. After much discussion the District has decided to go away from the current tiered rate structure and change the rate to a flat \$17.50 per 1,000 gallons.

**Our existing Commercial Irrigation rates are:**

0-20,000 gallons	\$12.76 per 1,000 gallons
20,001 gallons & up gallons	\$13.76 per 1,000 gallons
State mandated regulatory assessment fee	½% of total water usage.

**Our new rates will be:**

1,000 gallons and up	\$17.50 per 1,000 gallons
State mandated regulatory assessment fee	½% of total water usage.

The new rates will be effective beginning October 14, 2024, and will be reflected on your bill which is due November 10, 2024. Lakehaven Commercial Irrigation rate increase will be reflected on your bill which is due December 1, 2024. Please be assured that the Board of Directors is committed to providing all customers of Copeville SUD with safe and dependable water at the most reasonable rates possible. If you have any questions or comments, please contact the district's office at 972-853-4630.
