All information provided by Applicant to Copeville Special Utility District (the "District") with or related to a Non-Standard Service Application is public information and will be made available to the public upon request.

This application must be completed by Applicant only. The District will take no action related to the proposed development until this application is complete and Applicant has paid an initial Service Investigation Fee.

The Service Investigation Fee covers all administrative, legal, and engineering costs associated with an investigation of the District's ability to provide service to the Applicant's development and preparation of a Non-Standard Service Contract. Unused funds will be refunded to the Applicant. Applicant shall be responsible for covering any service investigation costs incurred by the District in excess of the initial Service Investigation Fee paid by Applicant.

By signing this application, Applicant acknowledges that this document is only an application for non-standard service to a residential or commercial development. The District will prepare a Non-standard Service Contract to be executed by the District, Applicant/Developer, and the property owner (if different from Applicant) governing funding and construction of on-site and off-site the water system improvements, payment of Connection Fees and applicable service fees, terms of service, and any other matter related to the proposed development.

I CERTIFY, AS THE APPLICANT OR AS AN AUTHORIZED REPRESENTATIVE ON BEHALF OF THE APPLICANT, THAT THE FOREGOING REPRESENTATIONS CONTAINED IN THIS APPLICATION ARE TRUE AND CORRECT.
